

CALL FOR APPLICANTS

The Summer Genetics Institute (SGI), sponsored by the National Institute of Nursing Research (NINR), is a one month, intensive program of classroom and laboratory instruction in genetics that provides a foundation for biobehavioral research and clinical practice. The SGI is administered by the FAES (Foundation for Advanced Education in the Sciences) as one of the Bio-Trac programs.

The SGI is provided by NINR at no cost to program attendees. Attendees are responsible for housing, food, and transportation expenses incurred during program participation. For further information, contact the SGI.

Eligibility Requirements

Graduate students, faculty, and clinicians who are citizens or permanent U.S. residents.

Application Information

For information and the application, visit <http://www.ninr.nih.gov/Training/SGI>

Applications are due: April 18, 2011
